Authorization for Release of Protected Health Information to a Spokesperson

As stated in the GBMC HealthCare, Inc. Notice of Privacy Practices "We may release health information about you to a family member, other relative or any other person identified by you who is involved in your healthcare with your permission.".

A Spokesperson is someone designated by the patient to receive protected health information (PHI) on behalf of the patient. A designated Spokesperson does not have healthcare decision making abilities unless he/she is allowed by law, such Medical Power of Attorney, Healthcare Decision Maker, Legal Guardianship.

Spokesperson authorization will be updated annually and upon request from the patient.
