GBMC

About the Program

This is a program designed to educate otolaryngologists and speech-language pathologists in the diagnosis and treatment of voice, swallowing, and breathing disorders. A faculty of Laryngologists and Speech-Language Pathologists will present on a number of different topics within the field: dysphagia, cough, airway, voice, and H&N cancer will all be covered. With several speakers on each topic and with case-based discussions for each topic, this program will be clinically relevant and interactive.

Learning Objectives

By attending this program, participants will:

- Discuss advances in evaluation and treatment of dysphonia, dysphagia, and dyspnea
- Review challenges in voice therapy for refractory processes
- Review laryngeal anatomy and physiology
- Discuss stroboscopic interpretation
- Demonstrate passing of flexible endoscopes and evaluation of findings

Continuing Education Credits:

Greater Baltimore Medical Center is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Greater Baltimore Medical Center designates this live activity for a maximum of 7.25 AMA PRA Category 1 CreditsTM.

**ASHA CE
APPROVED PROVIDER**

Loyola University Maryland

Intermediate level
.7 ASHA CEUs

ASHA CE Provider approval and use of the Brand Block does not imply endorsement of course content, specific products, or clinical procedures.

Physicians should claim only credit commensurate with their participation in the activity.

Conflicts of Interest:

It is the policy of GBMC HealthCare to ensure balance, independence, objectivity and scientific rigor in all of its educational activities. In accordance with our policy, faculty is asked to disclose all financial relationships.

This activity did not receive any commercial support.

Special Accommodations:

If you require special accommodation to attend or participate in this CME activity, please provide information about your requirements to the CME Office at cme@gbmc.org at least 10 business days in advance of the activity. Those requiring hearing or speech assistance may call Maryland Relay (a Telecommunications Relay Service) at 1-800-735-2258/TTY to have an operator place the call to the CME Office number 443-849-3670.

Please note: HANDOUTS WILL NOT BE PRINTED

After you register you will receive a web page to access all conference handouts. Handouts will be available on the web page approximately 1 week prior to conference date

Friday, May 3, 2024

2:30 - 4:30 PM **All faculty**

Registration Form

16th Voice Conference: Diagnosis and Treatment of Voice and Swallowing Disorders with Laryngeal Imaging Hands-On Instruction
Friday, May 3, 2024

All participants must register online at
www.gbmc.org/upcoming-conferences

Physicians \$375.00

SLPs and Allied Health Professionals \$275.00

Residents and SLP Students \$100.00

Please note that confirmation letters or receipts will not be mailed. However, you can obtain confirmation of receipt of registration or ask any questions pertaining to the course by e-mailing the course coordinator at agarcia@gbmc.org

Cancellations must be received 2 weeks prior to the course in order to be eligible for a refund.

DIRECTIONS TO GBMC

Civiletti Conference Center:

Enter the GBMC campus from Charles St. At the fork, stay to your right and follow the main road. Pass the main hospital on your left and Pavilion West on your right. Proceed until you reach Iris Park. The conference center is in Physician's Pavilion East on the first floor.

Address: Physicians Pavilion East, Civiletti Conference Center
6565 North Charles Street Baltimore, MD 21204

DISCLOSURE POLICY:

Speakers will disclose to participants the nature of any significant (or no) financial/non-financial relationships they have with the commercial firms providing support, as well as the commercial manufacturers of products and/or the providers of services discussed in their presentations. They will also disclose if any pharmaceuticals or medical procedures and devices discussed are investigational or unapproved for use by the U.S. Food and Drug Administration (FDA).
