

# Recommended Vaccinations

---

- We strongly recommend vaccinations to help fight the possibility of infection. <https://www.cdc.gov/vaccines/vpd/mening/public/dis-cochlear-faq-gen.html>
- Notify your Primary Care Physician (PCP) of the vaccines you will need, **prior to your pre-op physical**, so that it can be available when you are in the office.
- If you are NOT able to get these vaccines through your PCP, you can make an appointment with Maryland Vaccination Services. <https://health.maryland.gov/phpa/OIDEOR/IMMUN/Pages/vaccines.aspx>
