**WE NEED YOU!**

## **SUPPORT TEAM GBMC: JOINT & SPINE CENTER**

This year, we're excited to be participating in the Baltimore Jingle Bell Run on Saturday, December 13! This festive 5K is the Arthritis Foundation's signature holiday event that raises funds and awareness for arthritis research and support. We're not just helping people live better, we're jingling all the way toward a cure. Join the fun by supporting or joining our team, every step makes a difference. Thank you for your consideration!

**Donate or join our team today!**
