GBMC HEALTHCARE  CONTINUING MEDICAL EDUCATION CALENDAR

AUGUST 2022

CME Programs will be offered in a variety of formats – in-person, virtual and hybrid (in-person & virtual). Please see Format column for each program and email the program contact with any questions Virtual and Hybrid Programs: Each conference will have a unique code to access the virtual meeting. If you are not on the normal distribution list for a specific CME program, you should email the person listed to request access to that virtual program. To receive CME credit, you will need to complete an evaluation within 24 hours of the program. Instructions on how to complete the evaluation will be included with the meeting access code.
