

JULY 2021

Many CME Programs this month will be still be held virtually!

Each conference will have a unique code to access the virtual meeting. If you are not on the normal distribution list for a specific CME program, you should email the person listed to request access to that virtual program.

To receive CME credit, you will need to complete an evaluation within 24 hours of the program.

Instructions on how to complete the evaluation will be included with the meeting access code.

Day	Date	Program Title	Topic & Speaker (if available)	Time	Location
Thur	7/1	GI TUMOR BOARD	Case Presentations	7:00 a.m.	VIRTUAL VSTINSON@gbmc.org
