GBMC will be hosting its 7th annual Walk a Mile in Their Shoes in person, with a virtual element. Our SAFE/DV team cares for victims of all ages in a confidential, non-judgmental atmosphere at no cost to the patient. The program remained open during the COVID-19 pandemic, working to adapt their processes to accept patients in need of medical forensic care, specifically children from other jurisdictions where programs had closed due to COVID-19. In addition to the treatment of physical injuries, the SAFE/DV program helps re-empower survivors to begin the healing process. Our team works in conjunction with law enforcement and often testifies on behalf of their patients.

Held every year on Father’s Day, GBMC’s 5K brings the community together on GBMC’s campus in support of our Neonatal Intensive Care Unit. GBMC’s NICU, one of the largest in the area, cares for more than 400 babies annually, and is nationally recognized for groundbreaking research in neonatal intensive care. In 2021, GBMC opened a Special Care Nursery, an extension of the NICU, for newborns who need additional support, and a place for our NICU patients to go when they need more care prior to discharge. This year’s Father’s Day 5K will be held in person, with an option to participate at home.

“MileOne Autogroup was proud to sponsor the Father’s Day 5K which benefited the babies, families and staff of the NICU at GMBC. We have supported GBMC for many years and are thrilled that we can continue to give to this essential organization. Philanthropy is a key component of the company’s mission and vision and we are continual advocates for the communities we serve. Not only was this an opportunity to partner with an important cause, but it also provided a fun and valuable experience for our employees who participated in the run.”
