Held in September to close out the Maryland racing season, Legacy Chase at Shawan Downs attracts more than 7,000 spectators from the Baltimore metro area. This unique one-day event is for all ages and is perceived as a high-affluence, lifestyle event for corporations, young professionals and families. Corporate tents and boxes are perfect for hosting clients, company parties or alumni events. Proceeds from Legacy Chase benefit GBMC Oncology Services, the busiest community hospital oncology program in Maryland. Our Oncology Support Services Center houses a Cancer Resource Center, which is designed to address the vast array of cancer-related informational and educational needs of both patients and loved ones.
