BALTIMORE RUNNING FESTIVAL

The Baltimore Running Festival brings over 15,000 members of the community together, and draws people from almost every state, as well as other countries. Team RUN GBMC offers the chance to bring attention to a much-needed service for Baltimore City residents. Our team of grateful patients, employees and community members work to fundraise for Gilchrist Center Baltimore, which is positioned right on the course. Support through this event brings exposure for your company that goes beyond your community.

Gilchrist Center Baltimore is the only hospice facility in Baltimore City. It has 19 in-patient beds and serves 150 patients each year. Founded in 1997, and still 30 years later, Gilchrist Center Baltimore is committed to providing exceptional hospice services to everyone, regardless of their ability to pay. Annually, they incur \$1.2 million in uncompensated care costs.

Please see the reverse side to learn how you can support this event.

For availability, contact Ted Blankenship at 443-849-8263 or tblankenship@gilchristcares.org or Morgan Cook at 443-849-2120 or mcook@gbmc.org. Thank you!

BENEFICIARY:

Gilchrist Center Baltimore

“Thank you for the care you provided to our brother David. The nurses, assistants and aides all did their part to create an environment that exuded love, caring and understanding. During the most difficult days of our lives, David was treated like family and received the best of care.”

– Gilchrist Center Baltimore
Grateful Family Member
