In support of Sexual Assault Awareness Month, GBMC will be hosting its fourth annual Walk a Mile event. Walk a Mile in Their Shoes is a powerful event that benefits the Sexual Assault Forensic Examination (SAFE) and Domestic Violence Programs at GBMC. Our SAFE team cares for victims of all ages and genders, in a confidential, non-judgmental atmosphere at no cost to the patient. The program not only treats physical injuries but is also there to help empower survivors in order to begin the healing process. Our team works in conjunction with law enforcement, the State’s Attorney’s Office and sexual assault counseling providers to end sexual assault and intimate partner violence in our community.

“For the past three years, Jerry’s Toyota has been a proud sponsor of GBMC’s Walk a Mile in Her Shoes. Due to the current social climate of our community and nation as a whole, we feel that spreading awareness and compassion for victims of sexual assault is now more paramount than ever. We’re honored to once again team up with a pillar of the Towson community in GBMC to strive towards these aims.”
